- Capacity Building
- Facilitation of multi-stakeholder partnerships
- Advocacy.

Results: start-up phase

Project Partners mutual understanding and trust built

Project concepts and tools developed

Results: first 2 years

Stakeholders mobilised

Information disseminated

Capacities strengthened

Partnership promoted and facilitated

Project approach advocated

Monitoring & Evaluation

helping in managing the project in an efficient and effective way

understanding if it is achieving the expected outcomes

Lessons learned constitute a collective learning process (learning by doing, flexibility in adapting project strategy)

Evolution of paradigm in partnership building

Opportunity driven

- Research calls

Demand driven

- Problems identified by users

Mid Term Review

- PAEPARD is doing the right things, maybe not in the right order
- some delays in implementation
- one year no-cost extension to complete activities
- focus on partnerships facilitation and on advocacy
