- 2. secure improvements in the efficiency of production and distribution of food and all agricultural products**
- 3. better the condition of rural populations**
- 4. and thus contribute towards an expanding world economy and ensure humanity's freedom from hunger**

FAO's Reform

- **Progressive stages of reform underway since 1997**
- **Largest independent evaluation in UN**
- **Conclusion? “If FAO did not exist, its Members would have to create it...”**
- **Changes at all levels, all dimensions**
- **In a context of two decades of decline of resources, stagnation of investment and lack of interest in agriculture**

Working with Civil Society

Build on precedents and accomplishments:

- **“Operational” to “Normative”, Global to National**
- **World Food Summit & its Follow-Up**
- **Right to Food**
- **Technical Committees & Conventions:
Code of Conduct for Responsible Fisheries, ITPGRFA...**
- **“One Country” UN approaches**

Partnerships and Reform

- **FAO irrelevant without robust partnerships and alliances**
- **CFS as a multi-stakeholder process with civil society as Participants**
- **Regional Conferences as part of the Governing Bodies**
- **Increasing autonomy of FAO Regional and Country Offices including own resources**

CSO Consultation for Europe

For FAO from civil society:

- 1. Advise on main issues for agriculture and food in the (sub)region**
 - 2. Continuous consultation**
 - 3. Partnership and Resources**
- **A regional civil society consultative mechanism**
